Club Stuff

December is Family Month.

Note for all members - Board meetings 2nd Monday each month.

Guest Speaker Brenton Millar, Salvation Army Pastor.

Brenton came from Christchurch a year ago and has taken over from past president Alister Irwin in the role. He has had a very interesting, if not adventure-some life involving diving, hang gliding, helicopter pilot but has kept his feet on the ground as a Salvation Army Pastor for 13 years.

He loves helping people in need and has noticed an ever increasing need for food parcels and help for the needy over the past few years. He is particularly

grateful to Mike Smith and Harcourts for their help with the recent food drive, resulting in 26 boxes.

His talk involved the Christmas Story and how it demonstrates Christian values and gives us all the opportunity to choose the values we take on using Jesus as the example.

Incoming President Jim Gaudin spoke on his vision for next year and voiced his concern about some negative factions in the club. He wants members to reflect on why they are in the club and to offer themselves in a positive manner to commit to the ongoing success of the club. He intends developing a succession plan and encouraged old and new members to further Rotary learning. If we are positive, find new ways and encourage new members we are well on track in supporting the Rotary Mission.

Snippets - Trailer, only 57 books to go, thanks to all who have participated.

Art Deco vintage car parade - very good response to call for marshals but may need more.

Almoner - John Hennessey is holding his own, Judith has an infection and will be off soon to Wellington for more treatment. Best wishes to you both.

First 2019 meeting - note change of day-Tuesday 22nd.
